NEW: La Mancha Del Pecado & Culver *XII* collab CD. Twelfth trans-Atlantic collaboration of heavy drone – pro CD in slip. £8

<https://collantsnoirsreleases.bandcamp.com/album/xii>

NEW: Vorpor *the quarry house* cdr. One. Long. Drone. £6

<https://vorpor.bandcamp.com/>

MH274 – Skullflower & Culver *Poison for the Fairies*; a slow but sure continuation of the Bower/Stokoe confluence (Culver/Total, Sunroof!, Skullflower, Inseminoid-Voltigeurs). Here, 4-track tapes from the depths of the Skullflower vaults are re-worked and augmented by Culver.

1st batch on black-marble cassettes.

£5 + shipping.

MH273 – Fordell Research Unit & Culver *Cars of Dracula* – the OST to cruising whilst searching for beautiful blood-filled necks.

MH272 – Culver *Anonymous Countess* – under heavy sedation.

MH271 – Culver *Elsdon: Winter's Last* – 3rd to be released, 2nd to be recorded, church-found pump organ drone.

MH270 – Culver & trubba not. *Satoyama*; guitar supplied by trubba not. (of Shunyata Improvisation Group) and (de)composed by Culver.

MH269 – Culver & La Mancha Del Pecado *Elleven*; as the name suggests, 11th trans-Atlantic collaboration, released in collaboration with Agorafobia (tape and CDr available, yes, I can do a CDr this side of the water if needs be); MH version fully analogue recording and dupe.

MH268 – Culver *The Last House*; the third in a series of tapes of drone from church-recorded pump organ sources (#1 was mh265, #2 is mh271).

MH267 – Fordell Research Unit & Culver *The Killing Time*; latest in the never-ending series of collaborations. 2 x 30 minute fuzz-fests.

MH265: Culver *Old Haydon Hill* – organ loops; memento mori meditations.

MH264: Halalchemists *All Roads Lead to Nothing Going Nowhere...* – junk noise; back on the streets after a long hiatus (and barely existing in the 1st place...)

MH263: Cristian Usai *I Can See My Pain* – synth creeps; more minimal analogue unwindings.

MH262: Culver *Lost Dawn* – on through the night.
